Tablet Charge/Sync Cabinet

Another Perfect Fit

Universal Design

Individual drawers can hold a wide variety of devices. The bay height can also be adjusted to hold tablets and cases of differing thickness.

Multipoint Locking System

Tamper resistant door and durable key lock secures devices and can be keyed alike. Secures to table with mounting plate or steel cable lock.

Built-in Cooling Fan

Built-in fan automatically turns on to dissipate heat from charging tablets to prevent overheating and damage to devices.

Stackable Units

Stack up to 3 cabinets, and sync up to 30 tablets with a separate USB hub. Saves space and keeps all tablets in one locations.
