Mov-it Tablet Cart Configurations

Mov-it Tablet Carts

A mobile telehealth tablet solution designed to help serve any health facility needs. The Mov-it Tablet Series is a medical cart, articulating tablet arm, and patient engagement apparatus all-in-one!

1 Tablet Mount

Our adjustable, tiltable tablet mounts are the perfect option to offer security for any sized tablet device your team uses.

2 Speaker

Shown here with Jabra Microphone/Speaker and mount that can be added to your solution. Can be configured to accommodate other speakers.

3 Work Surface Top

Easily cleanable white thermofoil tops with two side graph handles.

4 Power Cord

Medical grade power cords and cable management available, sold separately.

5 PPE Holder Mounts

Optional easy access mounts for PPE supplies like CAVI wipes, Purell hand sanitizer and gloves can be added.

6 Post

Our piston height adjustable posts allow ergonomic adjustment for any user. Our post channel design allows multiple accessories and mounts to be attached to the workstation to create the perfect solution your team needs.
