Design, Security & Storage

Collect mobile data on the go with a sleek cart that looks great, secures sensitive supplies and has easy access storage.

Zebra Healthcare Scanners

Healthcare workers have enough to worry about-like delivering critical care to patients. That's why Zebra healthcare barcode scanners are designed to operate all shift long, work quietly through the night, and withstand anti-bacterial cleaning. They become the easiest part of the job.

Features:

Choose from the ZD621-HC 4-inch Desktop Printers
Zebra Printer Option Point Number Two
Zebra Printer Option Point Number Three

Zebra Healthcare Printers

All of Zebra's healthcare printers include the exclusive Print DNA software suite that makes them simple to set up, manage and secure - onsite or remotely. Engineered for evolving technology means years of operation. Zebra's printers give you peace-of-mind security with PrintSecure, part of Print DNA, to prevent downtime and costly cyberattacks. Choose from direct thermal, thermal transfer, and RFID models

Features:

Choose from the ZD621-HC 4-inch Desktop Printers
Zebra Printer Option Point Number Two
Zebra Printer Option Point Number Three

21.5" Medical Panel PC

CA-ME215P 21.5" Panel PC uses capacitive (PCAP) technology for smooth touch operation with support up to 10 points of multi-touch. The display has excellent scratch resistance and screen transparency. Fan-less design reduces maintenance and eliminates concern about dust or other air-borne contamination.

Equipped with a "Power failure protection system" function, this protects data and prohibits writing to storage in the event of power failure.

Features:

21." True-Flat PCAP Touch
Intel® KabyLake™ U Processor
Fanless and Silent
Window 10 Lot Enterprise
Multiple Communication Ports
Dual LAN Ports Plus Wifi+ BT 4.2
